Darlene has lived in the Fraser Valley for most of her life, where she has raised her family, all of whom enjoy the lifestyle and people who are part of the community.

For more than 20 years, Darlene has been known to assist her clients with a personal touch, striving to achieve mutually rewarding partnerships with those who turn to her for advice. She takes the time to learn about them, their families, and their businesses so she can be effective in sorting through financial matters and to meet their financial goals. Darlene's education includes Certified Financial Planner Designation, an Associate Certificate in Financial Planning and Financial Management through BCIT, Chartered Investment Manager through the Canadian Securities Institute, Strategic Wealth Transfer Course through the Canadian Securities Institute and is Level I & Level II Insurance certified. She is a member of the Chilliwack Mt. Cheam Rotary Club and enjoys giving back to her community.
